

NOTICE TO ALL FHTM REPRESENTATIVES IN MONTANA

Some of you may have heard that we have been contacted by the Commissioner of Securities and Insurance of the Office of the State Auditor of Montana.

Complaints have been made to the State Auditor's office about the manner in which our business is being conducted in your state. We respect the right of the Auditor's office to oversee the conduct of companies doing business in Montana. While we are in discussions with them, you must not engage in your Fortune business. We hope that this matter will be resolved as quickly as possible, but in order for us to be able to obtain a positive result, you must honor this requirement until you hear from us.

Thank you for all that you do for Fortune. We look forward to communicating with you again soon.
